Smashbox Studios is Brooklyn's premier full-service private studio. Located in the heart of Greenpoint, Smashbox Studios is 4,500sf, with a full-service cafe, and unmatched client service. Daylight pours in through multiple skylights directly onto our 45 foot curved cyc with full blackout capability. With onsite equipment, digital and capture, Smashbox Studios is New York's most exclusive studio for private high-end photo and video productions.

LOCATIONS

Our locations department is equipped with the finest gear and the best crew in the industry. We make producing your shoot in and around NYC easy with convenient pickup and delivery options 24/7, equipment rentals, digital techs, production supplies and comprehensive onsite solutions. We will pick up and load vans, park and deliver them right to you. Smashbox Studios has you covered. Hit us up with your location needs and we'll hook you up.
